Land Use Planning and Approvals Act 1993

Terms of Reference – Draft Amendment 04-2026 of the State Planning Provisions

I, Bridget Kathleen Archer, Acting Minister for Housing and Planning, pursuant to section 30C(2) of the *Land Use Planning and Approvals Act 1993* (the Act), hereby give notice that I have prepared the terms of reference in relation to the preparation of draft amendment 04-2026 of the State Planning Provisions (SPPs), which are in effect as part of the Tasmanian Planning Scheme.

The terms of reference enable the making of any necessary minor amendments of the State Planning Provisions that meet the criteria under section 30NA(1) of the Act, specifically to align the SPPs with the recently approved reforms to the land titling system in Tasmania and clarify if there is a requirement for a planning permit under the Act or the SPPs and the operation of existing permits issued under former planning schemes once the Tasmanian Planning Scheme has come into effect in a municipality.

The terms of reference document can be viewed at the Planning in Tasmania website: www.stateplanning.tas.gov.au.

Enquiries can be directed to the State Planning Office of the Building Tasmania by telephone 1300 703 977 or email SPO@stateplanning.tas.gov.au.

Dated this 8th day of July 2026
